# A WORD FROM THE CATALOGUER

First I wish to thank all of you who participated in making my previous sales a success, not only for your bids but also for the many letters expressing pleasure with the coins received.

In presenting this my fifth auction sale I am glad to be able to offer you more and better material than ever before, coins listed herein have been carefully graded for condition and carry my usual GUARANTEE OF SATISFACTION or money fully and cheerfully refunded.

Now is a good time to buy the coins you need, with the astounding growth of coin collecting in this country during the past ten years prices have steadily increased and prices that seem high today will appear as great bargains a year or so from now, with the end of the war and hundreds of collectors returning from the armed services and hundreds of new ones beginning to collect, post war demand for rare coins will be greater than ever before.

I sincerely hope you may find some of your wants listed herein and look forward to giving you prompt and reliable service. THANK YOU.
